低俗霊 DAYDREAM 4

Being able to talk to the dead is certainly a special talent, however, in simple terms, it is usually the case that the will and purpose of the dead has to be boosted greatly so they can appear, and for those that can actually appear before humans, often their conecrn about what the other person is thinking has already died off long ago.

4 低俗霊 DAYDREAM

That's what I think anyway, but since Ghosts really are very scary, Misaki is really quite an amazing, brave person. (Even though she doesn't show up much this time.)

[No Title] Even though it was a good chance the other day, it was really too bad that you didn't jump in front of the train. Please be courageous for me next time. Your sister and Miku-chan up in heaven are both watching over you.

[No title] First part omitted. How is your little sister's mental illness? The grounds of Hanari temple are a really nice place to hang yourself, dark, and there are many thick and sturdy branches. I'm sure it will become a very popular sport for suicides. Gotta go.

DO YOU THINK I'LL ALSO STOP SEEING THEM IF I GET MARRIED AND HAVE A KID?
EVEN IF YOU QUIT, THEY WILL STILL LOOK FOR YOU
IT'S VERY HARD TO DEAL WITH ALL OF THAT ON YOUR OWN
I JUST HAD THE ABILITY TO FOLLOW AFTER THEM
IT MIGHT ONLY HAVE BEEN LIMITED TO THEM BEING ABLE TO SEE ME
WELL, BACK THEN IT ISN'T LIKE I COULD SEE THEM VERY WELL MYSELF
WELL, YOU'RE BEAUTIFUL
I'M SURE YOU HAVE IT
THE ABILITY TO FOLLOW - HEY
